ENGR 102 Sect #_____ Lab 4zy

100 points

Reading assignment:

Lecture Slides	L04a L04b week 4
zyBook	Chapter 4

Attention!!

For submission you may use this file as a template: rename file including your name. Do not submit multiple pictures separately, collect them all into one file (word or pdf). You will be allowed to resubmit and reupload HW as many times as you want to within the due date/time, only last submission will be graded. Do not forget to put your name inside of this file as well.

Submit on Canvas

If you are submitting py- files, make sure that they have a header.

You may talk with others in lab about how to go about doing each of assignments. However, submission should be individual
