

Engr 102 Final Project

Lilly Woodward, Kyle Rex, Jesse Garcia

## **User Manual**

### **Tic - Tac - Toe**

#### **Objective:**

- The point of the game is to try and get three of your marks in a row before the other person.
- There are strategies to use when playing, such as figuring out how to stop your opponent from winning and trying to improve your chances of winning at the same time.
- Always think ahead and try to pay attention to your opponent.

#### **Rules:**

- The game is a two player game that starts with a 3 by 3 grid.
- One player is "X" and the other is "O"
- Players take turns putting their marks in one of the empty spaces
- The first player to get three of their marks in a row (up, down, across or diagonally) is the winner.
- If all nine spaces are full and no player has three marks in a row the game ends in a tie.
